CONGRATULATIONS TO OUR 2025-2026 TROUPE MEMBERS!

The Mandatory Troupe Retreat will be held August 21-24, 2025!
Weekly meetings will begin on Tuesdays starting August 26, 2025.
We look forward to seeing you then!

***Swing Members** - A swing is a performer who learns multiple roles and can step in for other cast members when needed. In our troupes, swings will perform in at least one full-group number, understudy other troupe members, attend all rehearsals and performances, and are invited on the WDW trip. It's a great learning opportunity and an important role.

****Spotlight Singers** - Spotlight singers will be asked to perform 1-3 potential songs during our troupe weekend for review by the directors. After the review, final material for the year will be selected. Please ensure all song choices are either pop or inspirational in style.

We know that not seeing your name on a cast list can be emotional. Casting is a thoughtful and difficult process, and we approach it with great care.

If you would like feedback, please email Natalie Futrell, Executive Director, at nfutrell@youngactorstheatre.com starting May 29, 2025.
She will be happy to set up a meeting.

Students and parents should not contact YAT leadership about casting before May 29.

We're proud of every student who auditioned and applaud your bravery and talent.
